

Costco is currently experiencing a monumental surge in our sales and foot traffic in the warehouse. In response, we are opening up the seasonal hiring period to help us increase the size of our staff and ease the pressure through this busy period.

Costco is looking for great people who need temporary work during this time; please apply at <https://www.costco.com/jobs.html>.

This is a great opportunity for students who have been sent home from college, folks who are in the service industry who have had their hours cut, and anyone else looking for a temporary job. The hiring process will be fast – one-day process – and we are looking to staff up immediately.
